

## Harrisburg Rv Storage

Every time your unit door is open or closed, and every time your code is used to enter or exit our facility, a record is made in our computerized security system.

### **Get the best quality in self storage**

- Sizes and Rates - Use our handy chart to find the right size for you
- Services - Loading dock, forklift service available, office space and more
- Security - 24-hour surveillance, individual door locks, cameras and more
- Outside Storage - RVs, boats, trailers and more

# Modern Technology Work

Every time your unit door is open or closed, and every time your code is used to enter or exit our facility, a record is made in our computerized security system.

## **Sleep easy knowing your unit has top-of-the-line protection.**

- Individual alarms on every unit door
- Computerized tracking of all doors
- Completely fenced in facility
- Very well lit
- No hallways
- Coded entrance gate
- Camera surveillance

## **Control who has access to your unit**

In addition to our security system, you'll use your own padlocks on your unit, ensuring that you're the only one with access to your belongings.

# Services
